Contemporary Poetry from Bulgaria

At the End of the World: Contemporary Poetry from Bulgaria is an anthology of eighteen Bulgarian poets writing and publishing from the middle of the twentieth century to today.

Rather than being a collection of emblematic poems, it is a thematic book which reflects the searching and original, distinctive styles of contemporary Bulgarian poetry, itself reminiscent of the city and landscape.

Jags

There is inspiration everywhere in the music department at JAGS.

Whether it is the Symphony Orchestra, Wonderbrass, the Jazz Band, Recorder Consort or another of the 15 orchestras, bands and ensemble groups that excites you; or the Madrigalists, Whole School or Gospel Choir, or another of the 7 choral groups, there is something for everyone in the senior school. Any girl can be part of the 22 musical ensembles, whether or not she takes instrument lessons at school.

The Music department draws proudly on its legacy of Ralph Vaughan Williams and Gustav Holst, both teachers at JAGS, in its practical and creative class music-making, enriched by the teaching of over 30 visiting music teachers. There are tours, competitions and concerts too (over 30 last year).

Music scholarships are offered to girls entering JAGS at 11 and 16. Music Exhibitions may also be awarded to girls who show promise.
